

Alpine Hat Craft

Supplies Needed

- 12 inch by 18 inch construction paper or newspaper
- Glue
- Hole punch
- 18 inch elastic band
- Flower, feather or both

Instructions

Fun How To Fold Video

- Fold the construction paper in half lengthwise so you have a rectangle with sides of 12 and 9 inches.
- Place the rectangle so the folded edge is on top.
- Fold down both top corners of the rectangle, leaving a base of two to three inches below the bottom of the corner.
- Fold up the bottom base on each side outside the corner fold to make the brim of the hat.
- Glue all the folds in place and let your hat dry.
- Punch holes on either side of the hat brim.
- Thread the elastic through the holes and tie a knot in each end to make a chinstrap.
- Decorate your hat with a flower, a feather or one of each.
