

# PAPER MARIGOLD FLOWERS

## Supplies Needed

- One sheet of orange tissue paper per flower
- One green pipe cleaner per flower
- Scissors
- Floral tape for bouquet

## Instructions

- Fold the long edge of your tissue paper in half, so the short end meet.
- Fold in half again, the same direction. You should have a long, skinny rectangle.
- With one of the short ends facing you, accordion fold the rectangle into folds that are about 1/2" to 1" wide
- Twist a pipe cleaner around the middle of your folded accordion, twisting the ends into a stem.
- Cut about 1/4 "off each end, then cut a "V" shape into each of the ends.
- Pull out your accordion folds so that it forms a circle
- Carefully, pull up the first layer of tissue paper as far up as it will go, all around the circle.
- Repeat each layer until your flower is fluffy and full!
