

# Tlingit Paper Piecing

## Supplies

- Construction Paper (variety of colors)
- Cardstock Paper
- Scissors
- Glue
- [Salmon template](#)
- [Whale template](#)

## Craft

## Instructions

- Print template on cardstock white paper.
- Stack five different color construction paper sheets together with the template, carefully cut around your animal template.
- Keeping all your paper stacked together, slowly cut your shape into different pieces.
- Once you have your animal cut into the different pieces, you want to keep them stacked together just a bit so you can easily put your puzzle back together.
- Using your animal template draw the same shape onto a piece of white paper.
- Arrange your colored pieces to cover your animal, remember to use alternating colors to complete your puzzle.
- Glue your pieces onto your animal shape.
- You now have a beautiful representation of Tlingit art!
