

# Windmill Village Craft

## Supplies Needed

- Dixie Cups
- Black Sharpie pen
- Acrylic Paint (assorted colors)
- Small Paintbrushes
- Round Gold Brads
- Scissors
- Pencil
- Newspaper or cardboard
- Tacky Glue
- Construction Paper (assorted colors)

## Instructions

- Lay down newspaper or cardboard to catch paint drippings.
- Paint Dixie Cups with several coats of paint – See [German Windmills](#) for inspiration
- Let cups thoroughly dry.
- Use a Sharpie pen to draw windows, etc.
- Use a pencil to trace two strips on construction paper.
- Cut out strips and glue them together into a cross shape.
- Poke the round gold brad into the cross shape and the Dixie cup.
- Turn the Dixie Cup over and extend the brad arms so the cross shape stays snugly in place.
- Display your Dixie Cup Windmills
